Dear Sir or Madam:

Let it be known that the National Rifle Association is honored to extend greetings to international competitors to participate in the 40th Anniversary NRA Bianchi Cup located in Columbia, Missouri, USA on May 23-25, 2018. To register for the event visit bianchicup.nra.org/bianchiregistration.

In the spirit of competition and good sportsmanship, these championships are open to all competitors who are members of their respective national shooting federations. The National Rifle Association is looking forward to having you join us at the second longest running pistol championship in the world.

Please do not discard this letter. As a visitor to the United States, you will need this letter to apply for a permit (Form 6 NIA 5330.3D Application/Permit for Temporary Importation of Firearms and Ammunition by Nonimmigrant Aliens) allowing a foreign national to possess a firearm while attending a shooting event in the United States.

The ATF form and instructions can be found at www.atf.gov. If you have questions regarding the permit contact ATF's Firearms and Explosives Import office by email at eps@atf.gov.

Welcome to the United States and the championship. Good luck and good shooting.

Sincerely,

A handwritten signature in black ink, appearing to read 'Karie Thomas', written over a faint circular stamp.
