- b. Any *medical emergency* should be reported immediately to the Tournament Officials or range personnel.
- c. Eye and ear protection is **REQUIRED** and must be worn by **EVERYONE** in and around the firing line. Eye & Ear protection may be purchased in the Vendor area.

A-7 Conduct

- a. Good sportsmanship, professionalism and safety are important principles of the sport of pistol shooting and shall be requirements for attendance or participation in the MidwayUSA & NRA Bianchi Cup. This principle should be followed by attending the Awards Ceremony on Saturday, 24 May 2014.

b. Any competitor, guest or visitor who demonstrates an inability to act in accordance with these principles shall be instructed to leave the range and may be disqualified from further participation in the Championship and its associated events.

A-8 Dress Code

a. Since safety is always of prime concern in the conduct of shooting events, it is strongly recommended that articles of clothing be worn that will insure the comfort and safety of all competitors and range personnel.

b. In keeping with the tradition established by NRA in shooting events, and recognizing the publicity attracted by the National Championship, it is important to promote an acceptable image for competitive shooting. Attire worn during all phases of the Championship should be in good taste and appropriate to such a prestigious sporting event. Articles of clothing with controversial or offensive slogans, or illustrations, are strongly discouraged. The Match Director is empowered to take what action is necessary to maintain acceptable clothing standards.

c. For the 2014 **Awards Banquet** held at the end of the tournament, the **REQUIRED** attire is (Semi-Formal) **jacket and ties for gentlemen and like attire for ladies. NO JEANS -NO EXCEPTIONS!** For the Social events held throughout the week of the tournament, appropriate attire is requested.

Section D

Championship Rules

D-1 Rules

This Championship shall be governed by the 2014 NRA Action Pistol Shooting Rules except as modified herein, or by the Match Director's Bulletin. (See Appendix B for any rule changes)

D-2 Coaching

The events in this Championship are individual in nature. Coaching will not be allowed.

D-3 Weather

a. The Match Director may, at his/her discretion, cancel, extend or alter the course of fire due to inclement weather or for any other reason considered worthy.

b. In the event of weather delays, it is the competitor's responsibility to remain in the immediate vicinity of the range and to be ready to resume shooting as soon as notified by range personnel that the delay has been lifted. Weather delays will be conducted in 15-minute intervals.

D-4 Firearms and Equipment

a. Firearms shall only be permitted on the range when holstered or cased.

b. Holsters (such as shoulder, chest and other such designs), which may violate safety considerations, are prohibited.

c. There will be no holster test conducted at the staging area. A dropped firearm, **loaded or unloaded**, at any time during the (4) Championship Events I-IV shall result in disqualification of competitor for entire tournament.

d. Gloves: Rule 3.11 shall apply: "Gloves may be worn which do not form an artificial support." You must wear the glove (s) during the whole Event. (Also see Rules 3.18 & 5.2)

e. Eye and ear protection is **REQUIRED** and must be worn by **EVERYONE** in and around the firing line. Eye & Ear protection may be purchased in the Vendor area.

f. Equipment must be inspected / registered Tuesday 20 May 2014. (See B-6 a.).

- g. Ground cover (i.e. shooting mats) shall be provided only by the Tournament sponsor.
- h. Eligible competitors may compete in the Speed Event using a different firearm, holster, sights and ammunition from those used in the Championship Events I-IV. Metallic Sight and Production competitors must use a gun meeting Metallic and Production Division requirements.
- i. Side Events: Eligible competitors may compete in these matches using different pistols, holsters, sights, and ammunition from those used in the Championship Events I-IV. If sponsored by an organization wishing to use a firearm of their choice, then the said firearm shall then be the only firearm authorized for that Event.
- j. In the Metallic Division National Championship, the only authorized firearms allowed are those that abide by Rule 3.2 Metallic Division firearm and the provisional rules adopted for use at the 2014 MidwayUSA & NRA Bianchi Cup.
- k. In the Production Division National Championship, the only authorized firearms allowed are those that abide by Rule 3.2.1 Production Division Firearm and the provisional rules adopted for use at the 2014 MidwayUSA & NRA Bianchi Cup.

D-5 Ammunition: The following rules pertaining to ammunition shall apply to the Championship, The Colt Speed Event, and all Special Events:

- a. The lower limit of caliber shall be 9mm.
- b. All ammunition fired in the Tournament must meet or exceed the power floor as described when checked by Chronograph using the formula: *Bullet weight (grains) X muzzle velocity (feet per second) = not less than 120,000.*
- c. Handloads may be used.
- d. Any ammunition used must be loaded within safe limitations for the handgun used.
- e. Ammunition will be tested as follows:
- f. Muzzle velocity shall be determined by the use of a Chronograph.

- g. A sampling of ammunition will be taken from each competitor at each Event, from a magazine or speedloader (NOT from a box) to be used for Chronograph testing.
- h. Competitors' ammunition shall be tested randomly by the Championship Staff. All competitors MUST check the Bulletin Board for Chronograph announcements.
- i. All ammunition utilized in the Tournament must maintain identical bullet design, bullet weight, and velocity. Ammunition used in side events may be different, but still must meet power factor requirements.
- j. ***Failure of the ammunition to conform to these standard tests will result in disqualification of the competitor.***
- k. Fired brass that falls to the ground shall become the property of the Tournament.

D-6 Positions

- a. The firearm shall be fully seated in the holster before the signal to fire is given.
- b. The ready position shall be with competitor standing upright and the hands positioned as follows: Events I, III, IV, V -- Both hands held shoulder high; Event II - Competitor standing upright with the palms of both hands on the face of the barricade.
- c. The firing position (See Rule 5.12).
- d. It is the competitor's responsibility to assume the correct ready position (Rule 5.3 & b. above) before firing commences and to maintain a proper firing position (c. above) throughout the Championship. Violations of these position rules will result in "faults" and penalties will be assessed for each "fault" according to the rules of the Championship in which such fault(s) occurs. *No warnings will be issued by Range Officers regarding faults before or during an Event.*

D-7 Targets

- a. Targets provided have been approved by NRA and are official. *
- b. In Events I, II, & III, the targets shall be the AP-1 (cardboard); Event IV, the targets shall be 8" diameter round targets, made from .375 (3/8) inch-thick steel; The Colt Speed Event, the target shall be the Colt Speed Target (steel). (Rules 4.2, 4.3, 4.4);
- c. All targets shall be the property of the Tournament and shall not be removed nor retained by the competitors.

**Side events may use AP-1 or other approved targets*

D-8 Scoring

- a. In Events I, II, and III, scoring will be completed as quickly as possible at the Central Scoring Area. Competitors can report to the Scoring Area 30 minutes after they complete a stage. Competitors then may review their targets and score card. If in agreement sign the card. Competitors must review their targets before the end of that day of shooting. Targets will not be available the following day under any circumstance. The scoring officials will score Event IV and other side events at the rear of each range. The use of the plug-type scoring gauge will be restricted to use by the **NRA Official Referees only**. In Events I and II, targets will be changed after the 15 yard stage.
- b. In matches using steel targets, the target must be knocked down to score a hit.
- c. Event IV: The maximum score which will be included in the Championship aggregate is 480-48x. Competitors who complete the match with a score of 480-48x shall be given an opportunity to continue to fire to establish a match winner and set National Records. Each plate that is knocked down after the initial with each additional plate knocked down scored an "X".

D-9 Ties

- a. Any Events utilizing the NRA AP-1 Target for score: If necessary to break a tie, the "X" count fired, starting with the longest distance will determine the winner.

- b. Event IV: When the event is completed with a score of 480-48x the competitor shall repeat the complete event, starting at the 10-yard line, at time limits reduced by two seconds per string per stage, until one plate is missed. The time limits shall be reduced by one additional second each time the complete event is repeated. The number of plates knocked down until a plate is missed shall determine the "X" count and winner of the Event.
- c. The Colt Speed Event: completing an additional six-shot string shall break all Ties.
- d. The ties for additional side matches will be determined at a later time.
- e. Match X: Any unbreakable tie(s) in Match X for the Championship, second, or third place will be broken by having a shoot-off consisting of a re-firing the longest distance string of Events I-IV. All other ties will be broken by method described in D-Any shoot-off necessary will be shot Friday afternoon.

D-10. Challenges (NRA Rule 16.1*)

a. Challenges may be made if a competitor feels that a shot fired by himself or by another competitor has been improperly evaluated or scored. If it is the competitor's target, **challenges must be made before the scorecard is signed.** If it is another competitor's target, then the challenge must be done before the end of the challenge time for that day, which is 30 minutes after last shots are fired. For challenging statistical errors, the challenge time shall expire at 3:00 p.m., the following day except for Friday, 23 May 2014 when the time shall expire two (2) hours after the final scores are posted.

b. Fees

- (1) Competitor's own target: **\$10.00** per Target
- (2) Another Competitor's target: **\$20.00** Per Target
- (3) If the competitor's challenge is sustained at any point along the line of rechecks, the challenge fee will be returned. If the challenge is lost, the challenge fee will be included in the general revenue of the tournament.

c. The decision of the NRA Official Referee shall be final.

D-11. Protests

a. The following procedures for filing protests will apply: A protest must be initiated immediately upon the occurrence of the protested incident. Failure to comply with the following procedure will automatically void the protest:

(1) State the complaint orally to the Chief Range Officer. If not satisfied with his decision then,

(2) State the complaint orally to an Official Referee. If not satisfied with his decision then,

(3) Obtain a protest form from the Chief Referee; complete the protest in writing stating all facts in the case. Such written protests must be filed with the Chief Referee within two **(2) hours** of the occurrence of the protested incident.

(4) A meeting of the Championship Protest Committee will be called to rule on the protest. The protesting competitor should be prepared to appear before the Protest Committee if requested to do so.

(5) Decisions made by the Championship Protest Committee are final.

b. A protest fee of \$100.00 must accompany the written protest. If at any point the protest is sustained, the fee is refunded. If the protest is denied, the fee is included in the general revenue of the tournament.

D-12. Official Timing

a. In matches where turning targets are used, time is taken for the period during which the target is fully exposed. Time is not checked on each individual shot, but is computed on the indicated allowance for each string depending on the type of fire being conducted.

b. The RO shall rule on any “faults” or other penalties assessed a competitor, (e.g. premature starts)

c. In Event IV, Falling Plate Event, timing shall be conducted using an electronic timing device, which actuates the plate locking bar.

d. In the side Events, timing shall be conducted using a sound actuated electronic timing device or turning targets.

e. In event of target system break down, a sound actuated electronic timing device shall be used as

the official back-up system.

f. A competitor has 7 1/2 minutes to complete firing of Event III, starting from the time he/she is given the “command to step into the box and load and make ready”.

D-13. National Records

National Records will be recognized over courses of fire as outlined in the NRA Action Pistol Shooting Rules.

D-14. Disqualifications

A dropped firearm, **loaded or unloaded**, at any time during the (4) Championship Events I-IV shall result in disqualification of competitor for entire tournament. **ANY** Safety Violations as described in (NRA Action Pistol Rules 9.17 & 9.17.1), which occur on the grounds of the Hallsville Green Valley Rifle & Pistol Club at any time during the Championship with the exception of Side Events, will lead to disqualification of that competitor from the entire tournament. Competitors involved in Event V, disqualified under the above Rule(s) after the completion of the Championship will only be subject to disqualification from the Colt Speed Event – Event V.

2013 High Lady: Jodi Lyall (AUS) **480-29x**

2013 High Metallic: Marc Kleser (GER) **475-23x**

Procedure:

The competitor stands facing 2 targets downrange. The tops of the targets will be approximately 6 feet above ground level and 3 feet apart, edge-to-edge. The starting position will be with the firearm holstered and both hands held shoulder high. The starting signal will be the turning of the targets preceded by the verbal commands "READY" and "STAND BY."

10 Yard Stage:

At the signal to commence fire, the competitor fires one round at each target within a three (3) second time period. At the second signal to commence fire, the competitor fires two (2) rounds at each target within a four (4) second time period. At the third signal to commence fire, the competitor fires three (3) rounds at each target with the weak hand only within eight (8) second time period. (The competitor may use the strong hand to produce and exchange the handgun for this third segment, but all six (6) rounds must be fired with the weak hand without support for the hand or arm of any kind.)

15 Yard Stage:

At the signal to commence fire, the competitor fires one (1) round at each target within a four (4) second time period. At the second signal to commence fire, the competitor fires two (2) rounds at each target within five (5) seconds. At the third (3) signal to commence fire, the competitor fires three (3) rounds at each target within six (6) seconds.

The targets are changed between the 15 and 25 yard stages.

25 Yard Stage:

At the signal to commence fire, the competitor fires one (1) round at each target within a five (5) second time period. At the second signal to commence fire, the competitor fires two (2) rounds at each target within six (6) seconds. At the third signal to commence fire, the competitor fires three (3) rounds at each target within the seven (7) second time period.

50 Yard Stage:

At the signal to commence fire, the competitor fires one (1) round at each target within seven (7) seconds. At the second signal to commence fire, the competitor fires two (2) rounds at each target within ten (10) seconds. At the third signal to commence fire, the competitor fires three (3) rounds at each target within fifteen (15) seconds.

Penalties:

A penalty of ten (10) points will be charged for a premature start, for each procedural error, as well as for each round fired over the designated number, for each round fired while supporting the weak hand or arm during the third segment at the 10-yard stage. Penalties for crossfire will be determined from actual scoring of targets as outlined in NRA Action Pistol Rule 9.25, 14.7 & 14.10.

Note: Competitors must fire the 10-yard line segment in the standing position. Competitors may fire the 15, 25, and 50-yard line segments in the prone position at their option.

Sponsored by: Safariland

Rounds: 48

Targets: NRA AP-1 targets.

Range: 10, 15, 25, and 35 Yards.

2013 High Open: Carl Bernosky	480-48x
2013 High Lady: Jessie Duff	480-43x
2013 High Metallic: B.J. Norris	480-31x
2013 High Production: Rob Leatham	476-26x

Procedure:

At each stage there will be a six (6) foot high, two (2) foot-wide barricade. They will be placed in a line, one directly behind another. Each barricade will have a clearly marked two (2) foot-wide by three (3) foot long firing area on the up range side. The competitor must be within the firing area at the "COMMENCE FIRE" signal and no portion of the competitor's body or equipment may touch outside the firing area until the competitor has finished firing the designated rounds. The barricade will be considered to be within the firing area and may be used as support. There will be two (2) targets downrange. One will be placed three (3) feet to the left of the centerline and one three (3) feet to the right. The starting position will be with the firearm holstered and the palms of both hands on the face of the barricade. The starting signal will be the turning of the targets preceded by the verbal commands "READY" and "STAND BY."

10 Yard Stage:

At the signal to commence fire, the competitor fires six (6) rounds at either target from the matching side of the barricade within the five (5) second time period. At the second signal to commence fire, the competitor fires six (6) rounds at the remaining target from the matching side of the barricade within the five (5) second time period.

15 Yard Stage:

At the signal to commence fire, the competitor fires six (6) rounds at either target from the matching side of the barricade within the six (6) second time period. At the second signal to commence fire, the competitor fires six (6) rounds at the remaining target from the matching side of the barricade within the six (6) second time period.

The targets are changed between the 15 and 25 yard stages.

25 Yard Stage:

At the signal to commence fire, the competitor fires six (6) rounds at either target from the matching side of the barricade within the seven (7) second time period. At the second signal to commence fire, the competitor fires six (6) rounds at the remaining target from the matching side of the barricade within the seven (7) second time period.

35 Yard Stage:

At the signal to commence fire, the competitor fires six (6) rounds at either target from the matching side of the barricade within the eight (8) second time period. At the second signal to commence fire, the competitor fires six (6) rounds at the remaining target from the matching side of the barricade within the eight (8) second time period.

Penalties:

A penalty of ten (10) points will be charged for a premature start, for each procedural error and for each round fired over the designated number. Penalties for crossfire will be determined from actual scoring of targets as outlined in NRA Action Pistol Rule 9.25, 14.7 & 14.10.

Note: All competitors must fire all stages in the standing position. All competitors may use the Barricade for support. No portion of the firearm to rest against the Barricade for Metallic or Production Firearm categories. Competitors will not be permitted to "Lock on to the Barricade". This course will be divided into four stages, two strings per stage, 6 shots per string, 48 shots; all shots will be fired from behind a barricade.

E-3 Event III:

The Moving Target Event

Sponsored by: Sig Sauer, Inc.

Rounds: 48

Targets: NRA AP-1 target.

Range: 10, 15, 20, and 25 Yards.

2013 High Open: Carl Bernosky 480-43x

2013 High Production: Enoch Smith 480-33x

2013 High Metallic: Robert Vadasz 478-28x

2013 High Lady: Jessie Duff 469-25x

Procedure:

The target will move from behind a barricade, travel sixty (60) feet in six (6) seconds, and then disappear behind another barricade. There will be a clearly marked, three (3) foot square firing area at each stage. The firing square will be at the center of the sixty (60) foot run of the target. The competitor must remain within the firing square for the complete firing sequence. The starting position will be with the firearm holstered and both hands held shoulder high. There will be no audible signals.

When the competitor is ready to fire, both hands must be raised to the starting position. The signal to commence firing will be when the target appears from behind the barricade.

10 Yard Stage:

At the signal to commence fire, the competitor fires six (6) rounds at the target, which moves from right to left. At the second signal to commence fire, the competitor fires six (6) rounds at the target, which moves from left to right.

15 Yard Stage:

At the signal to commence fire, the competitor fires six (6) rounds at the target, which moves from right to left. At the second signal to commence fire, the competitor fires six (6) rounds at the target, which moves from left to right.

20 Yard Stage:

At the signal to commence fire, the competitor fires three (3) rounds at the target, which moves from right to left. At the second signal to commence fire, the competitor fires three (3) rounds at the target, which moves from left to right. This procedure is

then repeated one more time.

25 Yard Stage:

At the signal to commence fire, the competitor fires three (3) rounds at the target, which moves from right to left. At the second signal to commence fire, the competitor fires three (3) rounds at the target, which moves from left to right. The procedure is then repeated one more time.

Penalties:

There will be a ten (10)-point penalty for any premature start, for each procedural error, for any round that strikes either barricade, and for any round fired over the designated amount.

E-4 Event IV:

The Olin (Oli) C. Barjenbruch -Falling Plate

NRA Action Pistol Distinguished Program

Purpose: To recognize excellence in NRA Action Pistol Competition. The NRA Action Pistol Distinguished Program is similar to the programs for Conventional Pistol, High Power Rifle, Smallbore Rifle, and Police.

Eligibility:

- a. No limitation on firearm used so long as it conforms to NRA Action Pistol Shooting rules.
- b. Points toward the Distinguished Badge may only be earned at NRA State Championships, Regional's and the National Championship.
- c. Competitors may compete for points in only 2 State Championships, 1 Regional and the National Championship in any calendar year (1/1-12/31).
- d. Recognition for award of the Distinguished Badge is retroactive to 1985 for OPEN and 1998 for METALLIC. Individuals may petition for this by providing official results from qualified tournaments. Burden of proof of qualifying scores is on the petitioner.
- e. OPEN, METALLIC AND PRODUCTION scores will be counted separately for medal purposes.

Course of Fire:

- a. Aggregate match containing at least two of the following matches:
 1. Practical Event (Rule 10.13)
 2. Barricade Event (Rule 10.14)
 3. Moving Target Event (mod) (Rule 10.15)
 4. Falling Plate Event (Rule 10.16)
- b. Minimum Qualifying Score: In order to earn eligibility for Distinguished Points, competitors must fire a minimum score equal to at least 95% of the match aggregate in OPEN and 85% in METALLIC & PRODUCTION. (e.g., in a 1920 point aggregate, the minimum score required to qualify would be 1824 in OPEN and 1632 in METALLIC & PRODUCTION).

Awards: The NRA Action Pistol Distinguished Badge will be awarded to those individuals who earn a total of 30 points through unassisted individual competition in qualifying events. Credit Points will be awarded as follows:

- a. 10 points to the highest scoring non-distinguished competitor who fires a qualifying score.
- b. 7 points to next highest scoring 10% of non-distinguished competitors who fire a qualifying score.
- c. 5 points to next highest scoring 15% of non-distinguished competitors who fire a qualifying score
- d. Fractions of .5 and over will be resolved to the next higher whole number. Smaller fractions will not be considered. No other medals will be issued by NRA until the 30 points have been earned, at which time the NRA Action Pistol Distinguished Badge will be awarded.
